NATIONAL CONFERENCE ON ADVANCED COMPUTING, COMMUNICATION & ELECTRICAL SYSTEMS

24th - 25th
MARCH 2017

hosted and organised by

C. H. Mohammed Koya
KMEA ENGINEERING COLLEGE

KUZHIVILIPADY, EDATHALA, PO, KOCHI, KERALA - 683561

Approved by AICTE, Affiliated to Mahatma Gandhi University & P. J. Jeevan Kumar Technological University

In association with

111RSE.1

ABOUT THE COLLEGE

KMEA Engineering College was established in 2002 by the Kerala Muslim Educational Association (KMEA), with the aim of building quality professionals through unique learning experience in science and technology.

The college is affiliated to Mahatma Gandhi University, Kottayam and APJ Abdul Kalam Technological University, Thiruvananthapuram. The college is approved by AICTE and courses offered are B.Tech (CE, CS, EC, EE, EI, ME) and M.Tech (CE, CS, EC).

NCACCES' 17

The circuit branches of KMEA Engineering College are jointly organizing a National Conference on Advanced Computing, Communication & Electrical Systems (NCACCES) during 24th & 25th March 2017.

The major objectives of the conference are to provide a precise platform for students, researchers, academicians and industry people to present and discuss most recent innovations, trends and practical challenges in the fields of Advanced Computing, Communication and Electrical Systems.

INVITED TALKS

There will be invited talks/presentations on advanced topics by eminent experts and practicing professionals during the conference.

CONFERENCE HIGHLIGHTS

- 🔦 Keynote Address
- 🔦 Paper Presentation
- 🔦 Best Paper Awards
- 🔦 Journal Publication
- 🔦 Invited Talks
- 🔦 Open Discussion

CALL FOR PAPERS :

Students, Academic delegates and Industrial delegates are invited to submit papers in the following streams:

ELECTRONICS AND COMMUNICATION

VLSI & Embedded System
Signal Processing
Wireless Communication
Microwave Engineering
Control Systems
EMC & EMI
Satellite Communication

ADVANCED COMPUTING

Speech and Natural Language Processing
Computer Networking
Digital Image Processing
Data mining and Big Data Analysis
Information Security
Cloud Computing
Computer Networks
Neural Networks

ELECTRICAL SYSTEMS

Electrical Power Generation, Transmission & Distribution
Power Quality & Power System Analysis
Power Electronics
Renewable Energy
Electric Traction
High Voltage Engineering
Surge Detection & Protection

ELECTRONICS INSTRUMENTATION

Opto Electronics
Virtual Instrumentation
Biomedical Instrumentation & Telemedicine
Mechatronics
Automation & Control
Robotics
Measurements Systems

AUTHOR GUIDELINES

Authors kindly submit full length paper on or before 23rd January 2017 by registering on the conference website. Before submission please make sure that your paper is prepared using the template provided in the conference website link. Each manuscript must include a 100 to 150 word abstract and a list of 5-7 keywords. The article length must be less than or equal to 8 pages.
